

Use this form to describe how you want to cut or punch your webbing and materials.

Straight cutting? maximum width and thickness of material

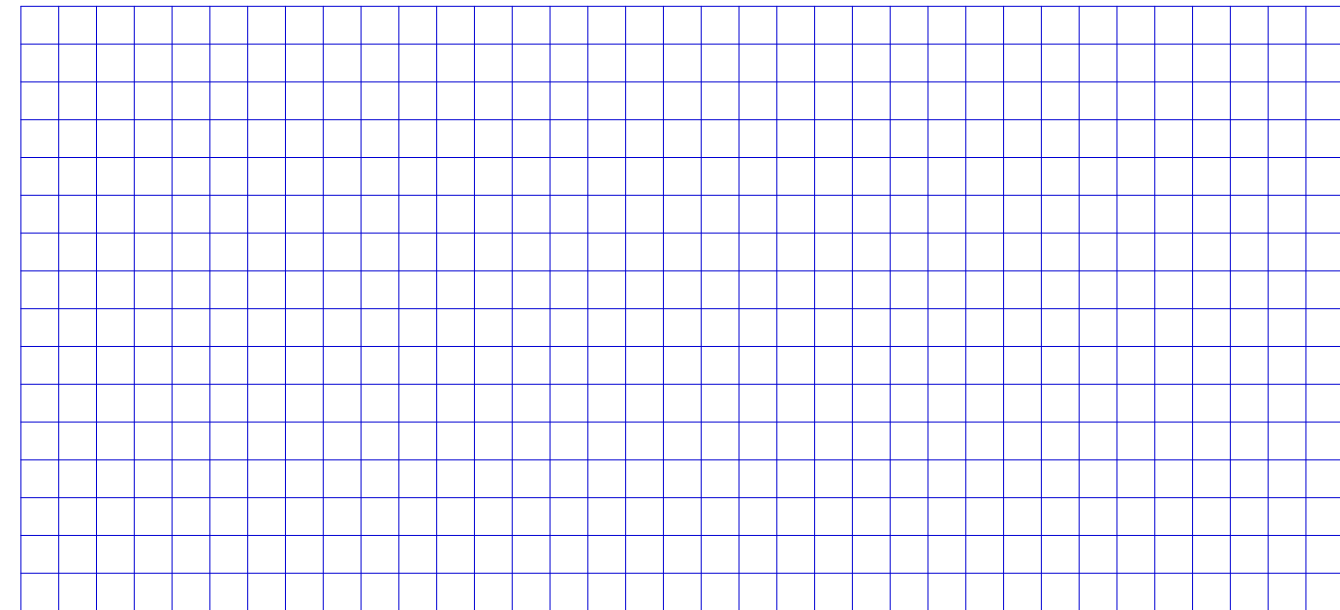

Angled ends? What angle is required? Both ends or just one?

Slots & holes? how many, what size, location and spacing, etc.

Shaped ends? Here's how we describe some common shapes we have made.

Use this space to draw your own shape, angle, or cut needed.

Unless otherwise specified all dimensions are in Millimeters (mm) OR Inches (in.) (Circle One)
